

Turn geospatial data into insights, maps and services that support better decisions for the Central Coast community. Join Council's Spatial & Applications team and help rewrite the future through accurate data, innovative GIS solutions and trusted customer service.

- **Deliver high-value geospatial information services across Council**
- **Develop and maintain reliable spatial data, databases and applications**
- **Use spatial analysis and mapping to support community-focused decisions**

Job Description

Reporting to the Senior Spatial Analyst, the Spatial Analyst delivers innovative geospatial information services to Council's customers and supports the management and provision of geospatial information, systems, services and standards.

You will develop and maintain spatial data, databases and applications, undertake analysis and map production, support internal business partners and provide practical advice on spatial technology. The role may also undertake field inspections using GPS equipment to verify and accurately capture Council asset information.

Applicant Profile

To be successful in this role, you will have:

- A degree qualification in Geospatial Information Services, Information Technology or a related field, or substantial contemporary experience in a similar role combined with ongoing professional development.
- Demonstrated experience using the Esri suite of products, particularly ArcGIS Desktop or equivalent, computer-aided drafting packages, database management systems and SQL Server.
- Experience capturing and maintaining geospatial data in local government, utilities, state government or another relevant industry, including GPS field capture.

- Demonstrated ability to analyse, tabulate and clearly present data and findings.
- The ability to set priorities, work within program constraints and deliver work to agreed service levels, timeframes and quality standards.
- The ability to read and interpret design plans and drawings.
- Experience using asset management and electronic document management systems.
- Strong customer service, teamwork, problem-solving and communication skills, including the ability to explain spatial technology to non-technical customers.

Central Coast Council is ideally located on the northern fringe of Sydney and just an hour's drive from Newcastle, the Central Coast offers one of the best places in Australia to live and work. The

Central Coast is one of the fastest growing regions in NSW, the third largest Local Government Area (LGA) in NSW and the 6th Largest LGA in Australia.

Central Coast Council is committed to the goals of equal opportunity employment. We aim to provide a work environment for our employees that fosters equity, diversity and respect.

Council is committed to providing safe environments that protect the physical, emotional, cultural and social wellbeing of children on the Central Coast.

Council may create an eligibility list from this recruitment process and may utilise this eligibility list to fill other permanent or temporary vacancies.

How to apply

We have put together some additional resources to help you [apply for a role](#) at Central Coast Council.

By completing and submitting this online application you confirm that any information that you provide in this application is true and correct and acknowledge that any offer of employment may be withdrawn should the information that you have provided in support of your application be shown to be false.

You also consent to employment screening checks being conducted where appropriate. This may include associated checks including reference checks, Working with Children Check, Entitlement to Work in Australia, employment history and an Australian Federal Police Check, as well as substantiation of educational qualifications, industry memberships, previous Central Coast Council employment history and association with professional bodies.

You also acknowledge that you will be required to provide proof of eligibility (including photo identification) to work in Australia if selected for an interview.

To lodge your application, please follow these steps:

1. Answer the on-line questions shown below.
2. Attach your resume
3. Attach your qualifications and licences.

Once your application is successfully lodged you will receive an automated response sent to your e-mail address. If a response is not received this means that your application has not been successfully submitted and you will need to lodge another application.

If you require assistance to lodge your application please contact our Talent Acquisition team by emailing recruit@centralcoast.nsw.gov.au to discuss what reasonable adjustments you may need. If you are deaf, hearing or speech impaired, you can contact us through the National Relay Service TTY call 133 677 or Speak & Listen 1300 555 727.

Applicants who are selected for interview will be contacted by phone or e-mail.

You will have the ability to save your application as you go using the 'Save Application' button. You can start an application and return to it later via the automatic follow-up email once you have the time and required information at hand to finalise your application.

If you don't have access to a computer or electronic device, you can lodge your application at any of Council's Library locations. Pre-book a free 1-hour computer timeslot by contacting your nearest

library <https://www.centralcoast.nsw.gov.au/libraries/our-branches> or ask at the enquiry counter.
